Health Guarantee

1. This hedgehog is guaranteed to be void of congenital defects for the period of 1 year. Health problems are to be deemed "genetic" by a veterinarian with adequate hedgehog experience and cannot be related to lack of veterinary care, improper nutrition, inadequate housing or environment. Should a genetic defect be found, Buyer agrees to inform Breeder in a timely manner so Breeder may begin re-evaluating breeding stock. This portion of this contract shall be null and void if Buyer fails to have their hedgehog examined yearly by an exotic veterinarian. This portion of the guarantee does not cover any cancer related death or illness. Buyer is responsible for all vet fees.

2. This hedgehog is guaranteed to never develop Wobbly Hedgehog Syndrome (WHS) within its lifespan. WHS is to be diagnosed by a veterinarian with adequate hedgehog experience and is to be deemed a definite diagnosis through necropsy. Should WHS be found in this hedgehog, Buyer agrees to inform Breeder in a timely manner so no such breeding shall again take place and Breeder may be required to remove such lines from breeding stock.

3. Buyer understands that Breeder cannot offer any warranty for cancer related illnesses.

4. Should a genetic defect or WHS be found in this hedgehog while still under warranty, a replacement hedgehog will be given at no expense to the Buyer, less any shipping fees associated. Buyer also reserves the right to request a full refund by check or money order, while hedgehog is still under warranty. Breeder is not responsible for any associated veterinary costs, excluding the cost of a necropsy in WHS cases up to the amount of \$60 that are done within the 1 year warranty period.

We, the Breeder and the Buyer, do hereby acknowledge this to be a true and binding contract. We agree to fully abide by its terms and conditions.
